

GOPU GIREESH

Cybersecurity and Full Stack Development Student

+91 8075613168 gopugireesh660@gmail.com | LinkedIn | GitHub | Portfolio
Kochi, Kerala, India

SUMMARY

Computer Science student skilled in cybersecurity, penetration testing, digital forensics, React.js, Node.js, Express.js, Django, PostgreSQL, REST APIs, and blockchain systems through internships, projects, and hands on labs.

TECHNICAL SKILLS

Languages: Python, JavaScript, C, C++, Java, SQL, Bash

Frameworks: React.js, Node.js, Express.js, Django

Tools: Git, GitHub, Postman, Linux, Figma

Databases: PostgreSQL, MongoDB

Cybersecurity: Penetration Testing, Vulnerability Assessment, Digital Forensics, Threat Detection, OWASP, Ethical Hacking, Web Security

PROFESSIONAL EXPERIENCE

Cybersecurity Intern

Kerala Police

- Analyzed suspicious network traffic and reviewed digital evidence during cybersecurity investigations.
- Evaluated software vulnerabilities and documented mitigation approaches for common attack patterns.
- Assisted teams in identifying malicious network behavior and supporting forensic investigations.

Full Stack Django Developer

Personal Project

- Built a full-stack Employment Management System using Django, Python, HTML, CSS, JavaScript, and SQLite.
- Implemented role-based authentication, CRUD operations, employee approval workflows, search, and Django ORM.

PROJECTS

Blockchain Question Paper Security Platform

- Developed a blockchain based document security platform using Ethereum smart contracts.
- Implemented JWT authentication and role based access control for secure document access.
- Built backend verification workflows using Node.js and Express.js.

Employment Management System

- Developed an Employment Management System using Python and Django with role-based authentication.
- Implemented employee registration, approval workflow, CRUD operations, search, and Django ORM with SQLite.
- Designed responsive HTML/CSS templates and integrated the Django Admin dashboard.

CERTIFICATIONS

Junior Penetration Tester Learning Path – TryHackMe

- Completed labs on network scanning, privilege escalation, Linux, and web application security.

LANGUAGES

Malayalam: Fluent

English: Moderate Proficiency

Hindi: Listening and Understanding

EDUCATION

B.Tech in Computer Science and Engineering

2023 – 2027

Cochin University of Science and Technology, Kochi

Higher Secondary School Certificate

2021 – 2023

NSS HSS Chathannoor, Kollam
